

Hello Santa!

Musik und Text: Horst Großnick

Hello Santa, hello Santa, hello Santa!
Are you on your way to me?
Through the fog and the snow
it's a long way to go...
Will I meet you by the Christmas tree?

Hello Santa, hello Santa, hello Santa!
Hope that Rudolph helps to guide
your old sleigh through the air,
oh, it would just be fair
if you turned up tonight!

It's getting pretty late here...
I'm sure you don't forget
that I still sit and wait here!
And I won't go to bed!

Hello Santa, hello Santa, hello Santa!
Are you on your way to me?
Through the fog and the snow
it's a long way to go...
Will I meet you by the Christmas tree?

Santa I've been singing
all the Christmas songs I know.
Will I hear the sleighbells ringing
before the candles all burn low?

Hello Santa, hello Santa, hello Santa!
Are you on your way to me?
Through the fog and the snow
it's a long way to go...
Will I meet you by the Christmas tree?

Hello Santa, hello Santa, hello Santa!
Hope that Rudolph helps to guide
your old sleigh through the air,
oh, it would just be fair
if you turned up tonight!
If you turned up tonight!
If you turned up tonight!
